General Relativity and Gravitation, Vol. 31, No. 12, 1999

Author Index

The cumulative index for vols.1–30 appeared at the end of volume **30** (1998). To make it easier to find published papers, it should be noted that volume numbers correspond to year of publication as follows:
vol.**1**, to p.234 — (1970); vol.**1**, from p.235, and vol.**2** — (1971);
vols.**3**–**10** — (1972–1979).
Subsequent volumes **11**–**31** correspond to the years (1979–1999).
